

**REMARKS**

Claims 1-10 are currently pending in the application. Claims 1-10 has been amended. Applicant respectfully submits that no new matter has been added. Applicant respectfully requests reconsideration of the application in view of the above amendments and the following remarks.

Claims 1-10 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. § 112, second paragraph and multiple dependent claim objections, set forth in the Office Action. Applicant appreciates the Examiner's indication of allowable subject matter.

Claims 1-10 stand rejected under 35 U.S.C. § 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In response, Applicant has amended claims 1-10 to overcome the § 112 issues as suggested by the Examiner. Applicant respectfully requests that the § 112 rejection of claim 1-10 be withdrawn.

Claims 4-10 stand objected to under 37 CFR 1.75(c) as being in improper form because a multiple dependent claim cannot dependent from another multiple dependent claim. In response, Applicant has amended claims 4-10 to overcome the objection of claims 4-10 under 37 CFR 1.75(c). Withdrawal of the rejection of dependent claims 4-10 is respectfully requested.

In view of the above amendment, Applicant respectfully submits that the present application is in condition for allowance. A Notice to that effect is respectfully requested.

Dated: September 25, 2009

Respectfully submitted,
